Yuba – Sutter Enterprise Zone  
1364 Sky Harbor Drive  
Olivehurst, CA 95961

Dear Ms. Hansen:

The Department of Housing and Community Development (Department) has concluded that the Counties of Yuba and Sutter and the Cities of Marysville, Yuba City, and Wheatland have satisfied all of the conditions required to obtain final designation for their conditional enterprise zone. As a result, the Department grants final designation to the Yuba - Sutter Enterprise Zone, retroactive to October 15, 2006.

For your records, I have enclosed signed copies of the Memorandum of Understanding and its Supplement, both of which document the terms and commitments for your enterprise zone communities and the State of California for the 15-year designated period.

The overall mission of the State's Enterprise Tax Incentive Program is to expand job opportunities and economic development opportunities for all Californians. Together with your agency, the Department will work aggressively and cooperatively to achieve these goals in the counties of Yuba and Sutter.

The Department looks forward to working with you and your staff on this project. If you have any questions regarding the Enterprise Zone Designation, please call Rebecca Matt at (916)324-6754.

Sincerely,

Frank A. Luera
